COMBINED MONTHLY REPORTS

RECTOR, SENIOR WARDEN, JUNIOR WARDEN

September, 2026

RECTOR - FR. JOSEPH HUDSON

Dear brothers and sisters in Christ,

This past month, along with the regular activities, included further planning for our Annual Fund Campaign, a discussion with a DOK about establishing a chapter of Daughters of the King here at Good Shepherd, celebrating with Dave and EK their 60th anniversary, discussion with three individuals on serving on next years vestry, meet with two couples on baptizing their children, various meetings with parishioners in my office and a dinner at Jacaranda Trace with a parishioner and Fr. John Lawrence and his wife Jerri, discussing a catechism with Deacon Michael, Standing Committee meeting in Punta Gorda, and Diocesan Convention Friday and Saturday.

Our GS community continues to demonstrate the love of Christ in so many ways; in their compassion for each other and those around us, their humility, and their active service within our community and to the benefit of many in the broader cities around us. God's Kingdom is indeed coming on earth among us and through us, to the glory of God.

Fr. Joseph

JUNIOR WARDEN - PAUL ALTIMIER

The only things to report for September is:

The Ladies Room Handicap stall has a new toilet.

Replacement Parts have been ordered for the dish sink drain stoppers.

The Grounds team is researching alternate Well companies and alternate water sources. The previous company, American Drilling, has charged us over $15000 the past 2-years. We will not be accepting any more business with them.

Faithfully submitted,

Paul Altimier
